To

The Chief General Manager
BSNL T N Circle
Chennai - 600 002

Sir,

Sub: Requisition for Grant of Flood Advance - reg

The costal districts of Tamil Nadu were severely affected by the incessant rains caused by the cyclone Nisha. Many districts including Chennai were flooded. Flood water has caused untold miseries to our staff and their family members while also causing extensive damage to properties. We have received reports that flood water had entered the house of our staff in many places causing loss of properties and had created health hazards.

Under these circumstances we request you to grant flood advance of Rs.10000/ to each employee of the affected district as granted in year 2005.

Thanking you

With regards

(S CHELLAPPA)
